| Adapter Power  | 100-240V, 24V 0.5A   |

Congratulations on your purchase of the Greenair SpamiMister.

SpaMister™ uses high frequency Ultrasonic technology that vibrates cool water inside the unit creating an ultra fine mist into the air. When essential oils are added, they are immediately dispersed into the air, providing immediate healthful benefits while helping to ionize the air. SpaMister™ can be used in a bedroom, living room, office area or anywhere you want to create a relaxing, soothing environment.

- CAUTION:**
- DO NOT FILL BASE UNDER RUNNING WATER.
  - DO NOT USE PURIFIED OR DISTILLED WATER.
  - DO NOT MOVE ONCE UNIT HAS BEEN FILLED WITH WATER.

Using a your own cup, fill with regular tap water up to the max fill line.

**Do not fill above max fill line.**  
Add up to 5 drops of your essential oil.

#1: First, plug the power to the unit then connect to a wall outlet.  
#2: Lower vapor insert onto base.  
#3: Lower cover onto vapor insert.

Press the power icon to begin.  
1 press for continuous operation  
2nd press to turn on 1 hour timer  
3rd press to turn on 2 hour timer

4th press to turn off diffusing.

To control lights press the light icon.  
 1st press for bright light  
 2nd press for medium light  
 3rd press for dim light  
 4th press to turn light off

Use a cotton swab to gently clean the Mist Disc and Sensor located at the inside bottom of the base.

**Cleaning:**

- Rinse with warm water & wipe clean as follows,
  - i. Wipe with soft damp cloth to clean.
  - ii. Wipe with soft cloth and rubbing alcohol when needed to break up excessive oil residue.
  - iii. Use a cotton swab and water or rubbing alcohol to clean the ceramic disc inside the base.

**\*See diagram to the left.**

- We recommend cleaning the unit every time you change oils or every 2 uses.
- Do not use detergents or abrasive agents to clean the diffuser unit.

**Do not return this diffuser to the retailer. Please contact the manufacturer's customer service for assistance. 1-888-548-0040**

| SYMPTOM                                      | CAUSE  | SOLUTION   |
|--|--|--|
| No Mist                                      | Using incorrect water, distilled or purified<br>Unit is out of water   | Use Tap Water (without filter)<br>Add additional water   |
| No Mist or Little Mist                       | Unit needs to be cleaned. Oils are clinging to ceramic disc or sensor<br>Water level is higher than max level line | Clean unit as advised in instructions with clean water & clean ceramic disc/sensor with brush or swab.<br>Clean unit and add water 1/2 way to fill line and additional water after gelling mist. |
| Blinking Lights                              | Water level indicator is dirty   | Clean unit as advised. Pay particular attention to swab the sensor/disc inside the bottom of unit.   |
| Unit will not stop running even though empty | Water level indicator is dirty   | Clean unit as advised. Pay particular attention to swab the sensor/disc inside the bottom of unit.   |
| No misting and unit is spraying water        | Water is too cold<br>Water Tank insert is not inserted under vase  | Change to warmer water<br>Make sure all 3 parts are assembled on top of unit   |

**CAUTION:** Keep away from children and pets. Do not use on wooden or painted surfaces that can be damaged by essential oil. Keep the unit upright at all times. Do not tilt unit at any time as water may spill and damage furnishings and fabrics.

# PRECAUTION

**DO NOT USE DISTILLED WATER**  
Please read the instructions carefully before using. Manufacturer accepts no liability for damage caused by incorrect use of the Essential Oil Diffuser.

| Warning and cautions | No allowed actions  | Strictly prohibited |
|----------------------|---|---------------------|
| ▲                    | 1. Clean the unit when changing to a different oil  |                     |
| ▲                    | 2. Clean the unit by rinsing the water tank and wiping it dry with a clean cloth  |                     |
| ⊘                    | 3. Do not use detergents or abrasive agents to clean the diffuser unit  |                     |
| ▲                    | 4. Shut off and unplug the power before cleaning  |                     |
| ▲                    | 5. Use the original adapter provided by the manufacturer  |                     |
| ▲                    | 6. If you don't use the device for a long time, unplug and pour water out   |                     |
| ⊘                    | 7. Never use steamed water or very cold water. Never use corrosive solvent to clean product   |                     |
| ⊘                    | 8. Never touch water level sensor and avoid product hitting other objects   |                     |
| ⊘                    | 9. Never put your hand above the ceramic disc when product is working, as this could cause pain and damage the machine  |                     |
| ●                    | 10. Never wrap the adapter with a cloth or paper, etc. Otherwise, it cannot dissipate heat normally and may cause deformation and burn the membrane from a short circuit. Never touch the adapter with wet hands. |                     |
| ⊘                    | 11. Do not use other liquids except for water & drops of essential oil  |                     |
| ⊘                    | 12. Do not aim the device at walls, ceilings, furniture surfaces as excess moisture could cause water damage.   |                     |
| ●                    | 13. Do not take this unit apart exposing electrical parts. Email customer service for assistance and guarantee information.   |                     |
| ▲                    | 14. Never place on loose fabric that can block air flow and prevent the unit from misting and ventilating properly.   |                     |

We will be happy to assist you with any questions. Please contact our Customer Service Department at 1-888-548-0040. All calls are returned within 24 hours.

# LIMITED ONE YEAR GUARANTEE

Purchase of this diffuser includes a One Year Limited Guarantee that covers manufacturing defects. It excludes normal wear and tear, damage caused by improper use, oil damage to the outside of the diffuser or oil damage to any other personal materials that the oil may come into contact with.

If you believe your unit is defective or malfunctioning, please contact us at 888-548-0040.

Note that customers are responsible for return shipping costs if seeking replacement, even when covered by a guarantee. Manufacturer reserves sole discretion to determine whether replacement is needed. All diffusers sent to manufacturer for inspection must be clean and free of any oil residue or it will be returned without inspection.

**THIS GUARANTEE IS EXCLUSIVE OF ALL OTHER GUARANTEES OFFERED BY THE MANUFACTURER, EXPRESSED OR IMPLIED, ALL OF WHICH ARE EXPRESSLY DISCLAIMED.**
